

**Information on SNAP: Supplemental Nutrition Assistance Program  
(formerly the Food Stamp Program)**

***Even more good nutrition news! If you qualify for free school meals, you might also qualify for SNAP!***

Dear Parent/Guardian:

We want to make sure that everyone who may be eligible knows about **SNAP** (formerly called Food Stamps). SNAP helps people to buy food for themselves and their families. SNAP benefits are issued each month on plastic debit cards. You can use them to buy food at major supermarkets, neighborhood grocery stores, and some farmers' markets.

**HOW TO QUALIFY:**

Whether you qualify for SNAP depends on:

- your income;
- the number of people that you live with;
- certain types of assets such as money in the bank; and
- your monthly shelter expenses.

You can get SNAP benefits even if you own your home or a car. The state will not place a lien on your home or your car if you get SNAP benefits.
